GOKULPLAST LLP

Mfg. of : **Gokul** Brand :

- P. P.
- H.D.P. E.
- ISOTACTIC
- P.V.D.F Ball Valve
- Pipe Fitting
- Drip Irrigation Item etc.

Superior Quality with Innovative & Technology through Leadership

ABOUT US

"GOKUL" is able to offer you the most extensive range of finished Products worldwide. Our comprehensive portfolio of Products encompasses Valves & fittings and finished parts for a diverse range of application. The material offered within this area span everything from HDPE, PP and PVDF. On request, we can also develop customized products tailored to your specific requirements.

GOKULPLAST LLP Has a manufacturing industrial Valves and Fittings at Ahmedabad. Our leading company has a capacity to produce in excess of 15000 Piece valves and 100000 pieces fittings per month. The manufacturing Area is more than 21000 Sq Ft. We are manufacturing Industrial Valves and fittings with the use of modern machines like Extruder vertical injection Molding machine, Drilling machine, Lathe Machine, and Testing machine.

Best-in-class quality.

Our Products are designed to deliver the very best quality imaginable. When implementing your projects, we always place the greatest possible emphasis on professionalism during every stage of the process. We are supported in our efforts by a first-class Quality management system for Total peace of mind.

Exceptional Services

As a customer, you always take centre stage: from project development to materials procurement and on-site planning. We are committed to providing the very best services. In addition, we will supply you with the full range of documentation accompanying our products and offer specialist training where required.

GOKUL's quality and management system is Certified in accordance with Din EN ISO 9001: 2015.

Application

- Chemical and Petroleum Industry
- Power Plants
- Paper and Pulp Industries
- Distilleries And Beverages Plants
- Sugar Industries
- Effluent Treatment Plants
- Pharmaceutical Plants
- Cooling Towers
- Salt and Soda Ash Plants
- Private and Public Pools
- Pant and Varnish
- Oil Industries
- Power and Pulp
- Cement Factories
- Gas and Solvents
- Sewage
- Fertilizers
- Agriculture
- Drip Irrigation
- Gardening
- Golf
- Green House
- Water Irrigation
- Swimming Ponds And Fish Farming
- Trick Fountains (wells, Water Fall Etc.)

Office

Gokul Polyplast Llp,
40 / Al Amin Estate, Nr Savan Hotel,
Sarkhej Cross Road, Ahmedabad.

Factory address

Plot No/04, Samved Industrial Estate,
Vadsar khatraj road, Village Vadsar,
